Lane Closure on Humble Street

(Longview, TX) 224 Humble Street will be having daily lane closures between Green Street and Houston Street starting Tuesday, July 31, 2012 and lasting approximately four days. The lane closure will be the south side of the street and will be for work being performed on an existing gas line.

This project is being performed by Richard Faulk, of C & S Leasing Services 903-987-1747. If you have any questions about the construction, please call the City Engineer, Mark Adas, at 903-237-1053.
