City Manager's Office (Administration/Budget/Boards & Commissions) [2]

The State of Texas is calling on Texas cities to make their government more transparent. Even before the State's urging, the City of Longview had many resources available to our citizens on-line. The reason is that the City of Longview is committed to our core values: Accountability, Teamwork, Integrity, and Professionalism (ATIP). We understand that to be held accountable by our citizens, we must make our city government transparent. Below, you will find a list of ways the City of Longview is committed to accountability and government transparency.
