Email News and Updates

The City of Longview has a customized email newsletter system that allows residents to receive information about City government and services. With optional subscription subcategories, subscribers are able to pick and choose the content relative to them. Individual recipients may edit their preferences or unsubscribe at any time.

Secure-Subscribe to our Email Newsletter

Emergency Notification and Weather Warning System
The Emergency Notification system is completely separate from the Email Newsletter system mentioned above. The Emergency Notification and Weather Warning System is managed by the Longview Public Safety Communications through a contract with CodeRED. Residents can sign up to receive emergency notification or weather warning messages delivered to a home phone or a cell phone. Please click the link below for more information about Emergency Notifcation.
