Addendum No 1
March 14, 2022

City of Longview Bid # 22-0013 Vegetation Control

The specifications and contract documents are modified as described below. This addendum becomes a part of the contract documents. All provisions of the original specifications and contract documents shall remain in full force and effect, except as modified by this addendum.

City of Longview offers the following changes to the specifications for 22-0013 Vegetation Control.

- **Attached is the new bid response sheet showing “Total Linear Feet Per Cycle” for Guardrails and the Curb & Gutter categories only. The remaining categories will contain “Total Acres Per Cycle.” The new bid response sheet needs to be used when submitting your sealed bid.**
- **The new Bid Response page contains updates for Groups 1, 2, and 3.**
- **The GIS Map for Vegetation control has been updated and will be more user friendly on mobile devices.**

If you have any further questions, please contact the Purchasing Department.

SECTION V - BID RESPONSE (REVISED)

I agree to meet the minimum requirements as set forth in these specifications and any documents attached for the total prices listed on the document below. I agree to perform these services as directed for the units and/or lump sum prices stated below. At any time during the term of the City's contract with the bidder, and subject to the applicable provisions of state law (including without limitation Section 252.048 of the Texas Local Government Code), the City may, in its discretion, increase or decrease the quantity of work to be performed under the contract (including without limitation by adding to or reducing the number of locations to be sprayed). Each bidder must inform himself of the conditions relating to the spraying of each location as well as the equipment and labor needed. Failure to do so will not relieve a successful Bidder of his obligation to furnish all material and labor necessary to carry out the provisions of this contract.
